IN THE SPECIFICATION:

Page 1, line 23, delete "for" and insert --For--.

IN THE CLAIMS:

1. (Amended) A plurality of medical devices combined in a portable unitary housing,
comprising:

an outer casing having at least one opening for accessing at least one compartment within
the housing;
at least one cover for covering said opening(s),
wherein said compartment(s) hold a gas dispensing device and additional medical
equipment.

2. (Amended) A plurality of medical devices combined in a portable unitary housing,
comprising:

an outer casing having a first and a second opening for accessing a first and a second
compartment within the housing;
a first cover for covering said first opening and a second cover for covering said second
opening,
wherein said first compartment holds a gas dispensing device and said second
compartment holds additional medical equipment.
